A Message from the Owner . . .

We have given much time and thought to building our herd and it is with much regret that we part with these cattle. Due to the increase in size of our dairy herd as well as an expansion of our poultry feeding activities, we feel that this step is necessary for the most efficient operation of our farming enterprise. We have enjoyed the herd and are dispersing at a time when it has reached a peak of production efficiency.

We hope in the not too distant future that we will start assembling another herd of Polled Shorthorns and when we do we will make every effort to find the same kind of individuals and bloodlines that we are offering in this sale.

We invite you to be with us on sale day.

Samuel T. Royer, Jr.

Ross V. Smith

Terms and Conditions

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the owners. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction and before the cattle are removed. All stock will be at buyer's risk as soon as bid off but the sellers will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—Although this is a complete dispersion, the cattle will be sold with liberal guarantees. Since the Hillside Herd has always been maintained under ideal conditions for the health and proper development of the cattle, the sellers have the utmost faith in them and are perfectly willing to offer them under the following guarantee:

All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. Heifers under 16 months at the time of the sale are not guaranteed to be breeders. All other females are guaranteed to be breeders. All bulls are guaranteed to be breeders if properly cared for and not allowed to run with the herd. Notice must be given within 90 days of any female or bull that seems to be a doubtful breeder. In case an animal fails to be a breeder up to a 6 months time limit, the owners, Samuel T. Royer, Jr. and Ross V. Smith, agree to refund in cash without interest the difference between the purchase price and the slaughter price. The above guarantee shall constitute a contract between Samuel T. Royer, Jr., and Ross V. Smith and the buyer of each lot. Neither the Sale Manager nor the Clerk of the Sale assumes any liability, legal or otherwise.

The owners, Samuel T. Royer, Jr. and Ross V. Smith, are not retiring from active farming and will continue to reside at Thurmont, Maryland, where they may be reached at any time by letter, phone or wire.

REGISTRATION—A certificate of registry and a signed transfer will be furnished for each calf sold and an application of registry will be furnished for each calf sold at foot and for each unborn calf sold in dam. Where footnotes appear in this catalog, they were written by the owner.

HEALTH—The Hillside Herd is accredited by the State of Maryland for **BOTH** Tuberculosis and Bang's Disease. Calfhood vaccination has been practiced regularly. Health certificates will be provided that will enable these cattle to go anywhere.

BREEDING DATES—Although breeding dates printed are correct to the best of our knowledge at the time of catalog publication, we want it understood that announcements of changes from the auction block will take precedence over matter printed in this catalog.

LIABILITY—We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

AUCTIONEERS—J. E. Halsey, H. W. Walker and Emmert Bowlus.

SALE MANAGER—Hal Longley, 16 S. Locust Street, Aurora, Illinois.

This is a SAFE place to buy.

A word from the Sale Manager . . .

My inspection of the cattle that are to be sold in the Hillside Farms Sale left me full of enthusiasm about the buying opportunities that will be presented on November 16th. Although the closing-out of such a herd is a matter of regret, the public will surely gain. The individuality of the cattle is very high, the pedigrees are exceptionally strong, all animals are in most practical flesh condition, and the herd is producing beautifully. After an inspection of this herd one gets the decided impression that it was established by real cattlemen and that those who have maintained it are skilled in the field of herd management. Since this herd was established largely on tops purchased from the famous Cherry Hill herd, I feel that this dispersion assumes great importance to all Polled Shorthorn breeders.—Hal Longley of The Shorthorn World.

Bellevue Overture x—Although no longer in service, this bull exerted a very beneficial influence in the herd. Through the service of this grandson of Collynie Compact x and the later service of two great sons of Edellyn Royal Leader 2d, the blood blends at Hillside Farms were patterned along similar lines to those followed in the famous Cherry Hill Herd. We used Bellevue Overture x with great success and the females sired by him that are to be sold in this sale show the influence of the Collynie Compact x-Gosshall Ximenes blend of blood. One of his good sons and seven very excellent daughters of Bellevue Overture x are to be sold in this dispersion.

C H Royal Highness x—An excellent individual and a proven great sire. All who have seen this bull and his calves agree that he is one of the greatest polled sons of Edellyn Royal Leader 2nd.

He was exhibited successfully at 1947 and 1948 shows and his winnings included the grand championship at the Maryland State Fair of 1948.

He is a full brother to Cherry Hill Royal x sold to Mrs. George L. Harrison, Upperville, Virginia, in 1946. He is a half brother on the dam's side to Cherry Hill Hallmark x. One of the good sons of C H Royal Highness x and three of his daughters are in Harry Cannaday's strong herd. A daughter won the reserve championship at the 1953 Staunton Show and Sale as an open heifer and was purchased from Hillside Farms by Hi Ho Farms, Phoenix, Maryland.

C H Royal Highness x was used with great success by W. J. Robertson, Colerain, North Carolina, and we purchased this bull from him. There will be plenty of his calves of both sexes in evidence on sale day to prove his worth as a sire. Only in a dispersion are such bulls offered. Who will be his fortunate new owner?

His dam, Lot 25 in this sale, is one of the great daughters of Collynie Compact x that we secured in the Cherry Hill Dispersion and his granddam was the great cow Oakwood Hope 6th by Gosshall Ximenes. Hillside Royal Leader x is the sire of one bull and four females that will sell as separate lots in this sale and is also the sire of five outstanding calves that sell at foot with their dams. Several other females in the offering are carrying his service. He is truly a great bull with a perfect polled head, a great crest, wonderful width, fleshing and balance. Gladstone Combine x—This bull comes from the very fine herd owned by our neighbor, Mr. E. C. Terpenning. He is a full brother to the bull Gladstone Coupler that sold at \$1500 in the 1952 International sale to W. P. Hix & Son, Winchester, Tennessee. His sire is a full brother to Cherry Hill Clansman that is doing such a wonderful job in the Piatt herd in Kentucky. His dam, a daughter of the great Oakwood Leader x, comes from a family deep in polled breeding. This bull is blocky, good headed, has been used slightly and we recommend him highly.

Left—CH Augusta Brae x, reserve champion female at the 1948 and 1949 Internationals. She was the second high selling female in the Cherry Hill Dispersion at \$3,100 and was purchased by Carl M. Johnson, DeKalb, Illinois. She is a full sister to CH Augusta Brae 2nd x, Lot 6 in this sale.

Right—CH Augusta Brae 2nd x. She will sell in this sale as Lot 6. Her dam was the top selling female in the Cherry Hill Dispersion at \$3,350 going to Hi Ho farm, Phoenix, Maryland.

Seven Oaks Harmony A x—Here is another one of the grand cows we bought in the Cherry Hill Dispersion. She had produced a total of \$2,835 worth of calves for Cherry Hill Farms before we bought her and she has certainly done a job for us. She produced Hillside Harmony in July, 1950. This heifer won her class at the 1952 Congress sale and sold to Lynnwood Farms for \$1,325. Next she produced Hillside Harmony A x in July, 1951, and Hillside Harmony A-1 x, in July, 1952, both of which sell in this sale. Her July, 1953, calf was a bull that we had the misfortune to lose at two weeks old. She was rebred August 30, 1953, to CH Royal Highness x. Cherry Hill Hope x—Only in dispersions are such cows exposed for sale. This daughter of Collynie Compact x was purchased in the Cherry Hill dispersion at a cost of \$1,000. She is a full sister to a bull purchased for export to Duncan Stewart of Scotland. She is the dam of the great two-year-old bull Hillside Royal Leader x by Edellyn Royal Leader 2nd that sells in this sale. What a production record in the few short years we have owned her! She produced Hillside Royal Leader x in July, 1950. She had a heifer in October, 1951, she had another bull calf in November, 1952, and she is in calf again to the CH Royal Highness x since May 26, 1953.
